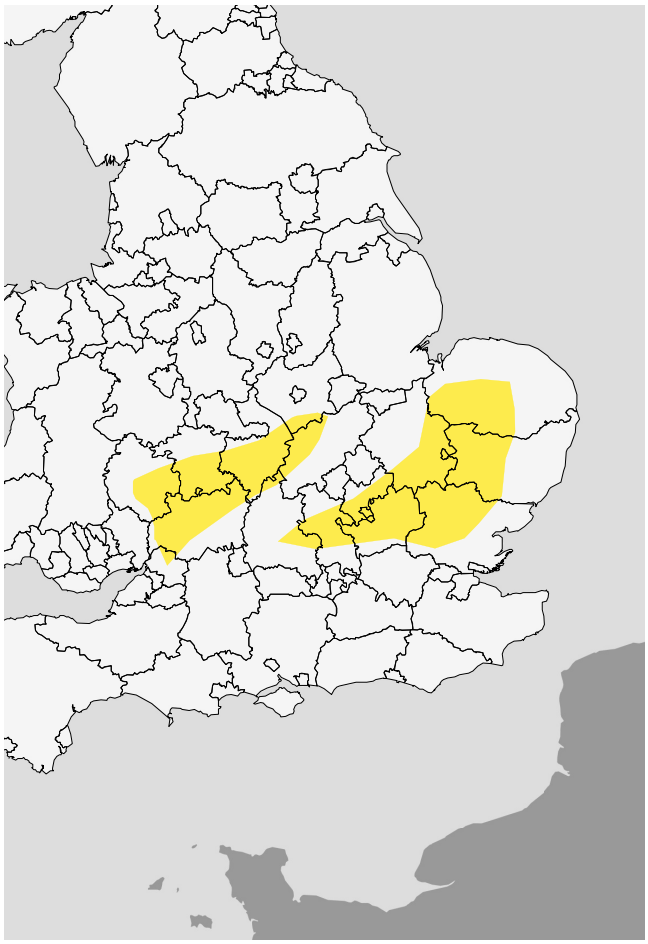
Yellow warning
Fog

Between
22:00 Tue 11 Jan 2022 and
11:00 Wed 12 Jan 2022



Dense fog patches may cause some travel disruption during Wednesday morning.

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

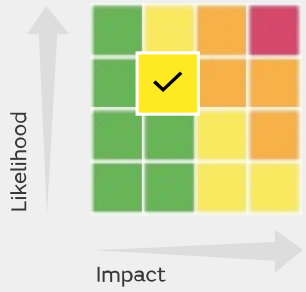
Further details

Some fog and freezing fog patches have formed on Wednesday morning with a few dense areas, particularly in river valleys with visibility less than 100 metres at times.

Fog will thin and lift during Wednesday morning.

Reason for update

Fog has not been as extensive as earlier expected and so the warning has been trimmed to focus on main areas of fog formation.



Medium likelihood of low impacts
